

**REMARKS**

This paper is in response to the Office Action of March 30, 2007. The due date for response extends to May 30, 2007, under *Ex parte* Quayle.

Claim 2 was cancelled. Claim 2 was integrated into claim 1, as the features of claim 1 relied upon the features of claim 2. Thus, the objection presented in the office action has been overcome.

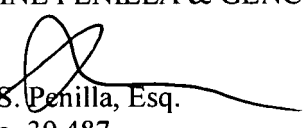

Formal drawings were prepared and were filed on April 3, 2007.

For purposes of expediting prosecution, the Applicants have elected to incorporate the allowable subject matter into the independent claims. The Applicants therefore reserve the right to file broader scope claims, similar to the original claims, in a later filed continuation application, if so desired.

A notice of allowance is respectfully requested.

If the Examiner has any questions concerning the present amendment, the Examiner is kindly requested to contact the undersigned at (408) 749-6903. If any other fees are due in connection with filing this amendment, the Commissioner is also authorized to charge Deposit Account No. 50-0805 (Order No SUNMP382). A duplicate copy of the transmittal is enclosed for this purpose.

Respectfully submitted,
